SHANDONG KINGSTAR SPORTS FITNESS CO.LTD

We one of the leading fitness equipment manufacturers in China, and have been so for the past 20 years. Our inventory includes motorized treadmills, spring bikes, elliptical, strength machines, and all of these are being manufactured to Meet OEM customer product.

We are one of the leading companies that market our products successfully to the European sector, Australia, Middle- East, America and also Asia.

Our purpose being "Quality First" & "The Customer Is KING" has helped us ensure that all our customers are satisfied and hence secured our future existence with the ability to provide them with a warranty on all our products. We strive to minimize cost of production so that benefit would reflect in our end product and helps us compete with low prices. Also due to the automation of the production process we are able to cater to the demand and guarantee timely delivery of goods.
