Section I. General Information

Address: Room 203, Building C, Xijiao Caohu Science Park, 1 Kwun Tong Road, Caohu Street, Suzhou

Province: Suzhou City

Country: China (Mainland)

Post Code: 215216

Cell Phone: +86-15995409705

Contact Person: Manager Liu

Categories: Heat exchanger

Company Type: Management

Year of Establishment: 2020

Registered Capital: CNY5,000,000

Export Experience: 0Year

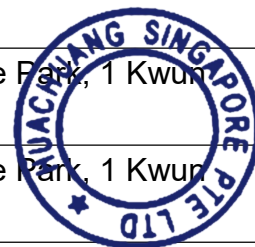

Section II. Company Description

Suzhou Ukada Energy Saving Technology Co., Ltd. is a professional manufacturer specializing in the design, development and production of heat exchangers. The main products are Spiral Heat Exchanger, Spiral Wounded Heat Exchanger, SiC Ceramic Heat Exchanger, Tubular Exchanger, Double Tube Sheet Heat Exchanger. Widely used in metallurgy, coking, textile, food, machinery, electric power, environmental protection, HVAC energy saving and heat conversion is required and other industries.

As one of the standard makers of <NBT 47048-2015 Spiral Plate Heat Exchanger>, the Chief Engineer has forty years of experience in designing and manufacturing heat exchangers, and has undertaken and successfully completed the research and development of heat exchangers for a number of national key projects (such as satellites/submarines/nuclear power plants, etc.), and continues to take part in the development of national standards for spiral plate heat exchangers. The team independently researched and developed the super-large spiral plate heat exchanger and bubble spiral plate heat exchanger. The new process without fixed distance column spiral plate heat exchanger is deeply favored by customers.

Section III. Commercial Reliability

Legal Validity			
Does the Company Have a Valid Business License?	☒ Yes ☐ No ☐ Others	Registration Number	91320507MA21W8JQ1M
Registration Date	Jul.3.2020	Valid Date	N/A

Type II spiral plate heat exchanger

Through spiral plate heat exchanger

Through spiral plate heat exchanger

Through spiral plate heat exchanger

Type II spiral plate heat exchanger

Spiral wound tube heat exchanger

Carbon steel spiral plate heat exchanger

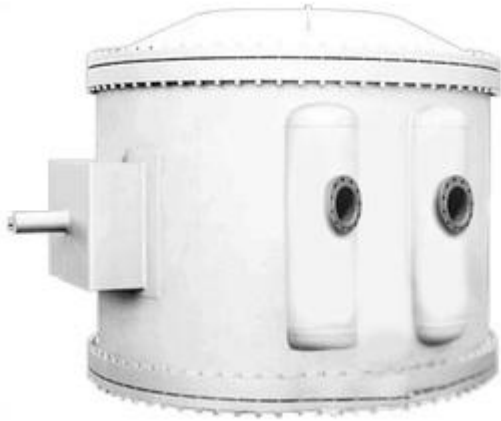

Medical condenser

Titanium spiral plate heat exchanger

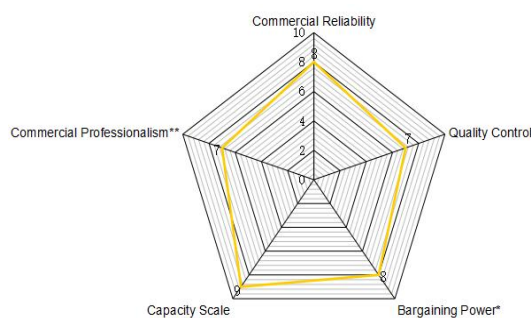

Products super large spiral plate heat exchanger

Sterile double tubesheet heat exchanger

Section VIII. Hobson Score for this Vendor

Note:

*Bargaining Power refers to vendor's bargaining power when negotiating with buyer. This was evaluated by vendors' current order volume and capacity utilization rate.

**Commercial Professionalism was judged by vendor's exporting history and P2P communication.

Annex:

How was this vendor scored by Hobson?

1. Capacity Scale: 9 stars means about 90% of vendors of similar products are of smaller capacity than this vendor in the region/country where vendor is located.
2. Capacity Utilization: About 90% of the vendor's capacity was occupied when the vendor was reviewed.
3. Quality Control: 7 stars means 70% of industry vendors have less stable customers than this vendor or fewer internationally recognized certificates than this vendor.
4. Commercial Professionalism was judged by vendor's exporting history and P2P communication.
5. Reliability was evaluated by the vendor's overall exporting performance and its registered capital.
